Oct. 31, 1996

Dear Susan + Eddie

I will make this note short, because my day is half gone, and I have many more things to do.

I am still amazed at making contact with you by telephone — you, the Family Researches, of all the Mundines in the Houston area. (Since Etoyle wasn't listed, I asked for "any E" and they gave me Eddie Mundine).

I enjoyed my telephone visit with you all.

I hope the enclosed info will help you in piecing the Mundine Tree together.

My bro-in-law was a really fine person. When my father died (1954) he asked me to come live with he and Anne (I was 18, and unable to ~~pay~~ make my support alone). He was just a young man himself, but he cared that much about others.

I will look forward to hearing from you.

Sincerely
Margaret Haynes Olson
