Willis Hatfield sits in the front row, right, in this famous 1897 photo of the Hatfield clan.

Last of feuding Hatfield clan dies

HUNTINGTON, W.Va. (AP) — The last surviving child of Devil Anse Hatfield, patriarch of one of the combatant families in the bloody feuds between the Hatfields and the McCoys, has joined his parents after a 90-year life of fightin' and fun.

E. Willis Wilson Hatfield died in a Huntington hospital Thursday night. He had been ill for a brief time.

Hatfield was the 12th of 13 children born to the infamous clan chieftain and his wife, Levicy Chafin Hatfield. He grew up in a log house on Main Island Creek in Logan County in southern West Virginia, and until his death could recite tales of the fussin' and feudin' between the two clans.

However, most of the fighting had ended by th time Willis came along, Feb. 10, 1888. In late years, when he lived at the Logan County home his daughter, Mrs. June Rutherford, he decli to discuss the famous, 25-year feud that took m than 100 lives before the turn of the century.

As for the McCoys, Willis Hatfield said he no grudges.

Two years ago, the Hatfields and McCoy cially buried the hatchet with a ceremonial in Williamson.
