Dear Ruth

Thanks so much for the data you sent 25 July 86. I only play genealogy in the winter since I retired in '83 and spend all the nice days outdoors.

I am trading David Kershner b 30 Jan 1771 as son of David b 1750. Should you get something that makes you 100% sure I'd appreciate it.

I believe Arthur Umberger has inserted Rudi 1645-1699 since I last heard from him. (see reverse) I may have loused it up.

Lenas note p 247 of Kershner (what is this?) says "Martha Amis dau of Thomas Amis" I have (and I think from her) an intervening generation —

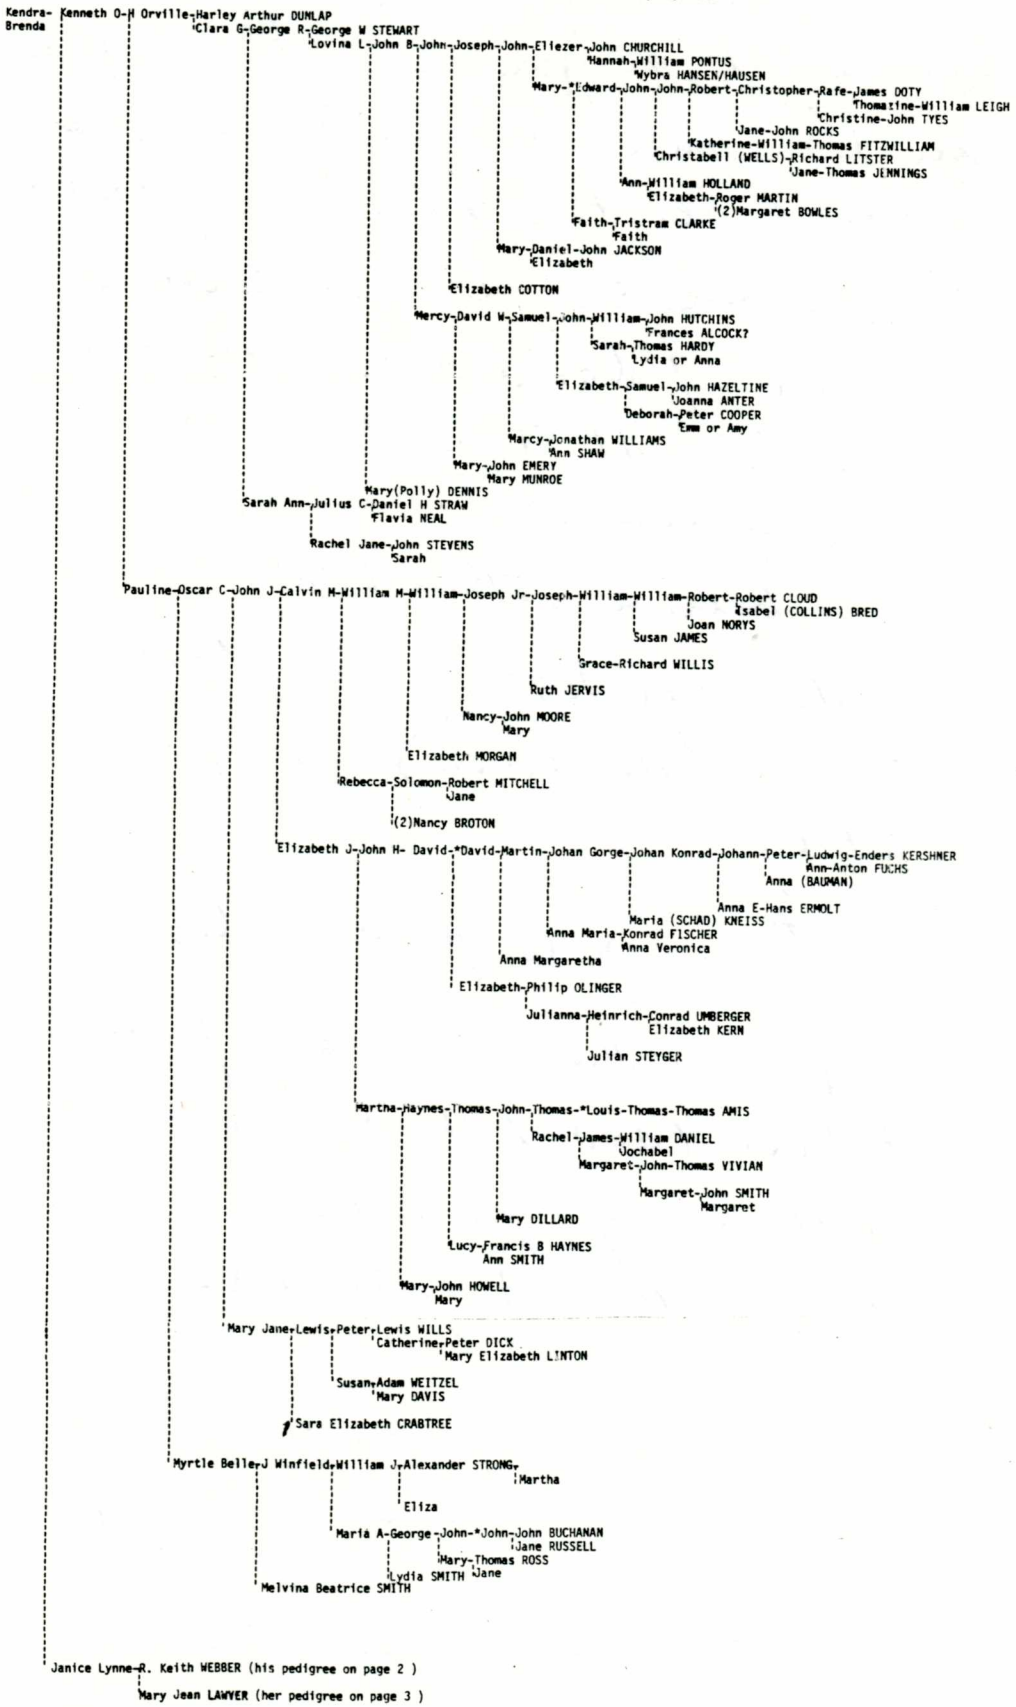

Haynes Amis b 21 Feb 1788 Hawkins Co. Tenn.
d 6 Nov 1848
m 6 Dec 1826 " "
Mary Howell
6 children including Martha
b 1 May 1811

Thanks again - Sorry I can't help you

Keith

23 February, 1983

Line of descent is right to left
All individuals of the same surname (in capitals at right)
are on the same line
Parents are connected by the vertical line at left of name
* means that this relationship has not been proved

5 March 1985

The Amis data, added to some notes I have, helps some. From Index to 1830 census Hawkins Co TN -

Kershner, John 00001-101
Amis, Hayner 001201-000210001

I think Lena Wilks told me she had found David Kershner (maybe spelled differently) in a census 1820 or after. Maybe it was a tax list. Cayhows, David b. 1749 died 1816 in Christian Co Ky, so they weren't the same. In the Index above, the order is alphabetical. Maybe reading the actual census would disclose David. Thank you so much!
