Mrs. Binnion was quite uneasy about her children, who were visiting neighbors at the time, so Mr. Binnion, ill as he was, joined her and they followed the savages. They met a Mexican on the way, who joined them. Sure enough, the children met the Indians down the trail and the boy was chased by them, but was able to get away.

Mrs. Binnion and a neighbor once tricked Indians by using stalks of the sotol plant for guns.

Those who join the tour on September 29 will hear more of this family and other fascinating accounts of early days in the Sabinal section. Mrs. Irene Adams, Historical Survey Committee member from Sabinal, is very busy completing plans for the affair. It is hoped that many Uvalde County citizens and other interested persons will join the tour.

Dear Sir & Friend

I have received the $85.70 Eighty five Dollar check. & the one for One hundred & five $105.00/100 Dollars that you said was from Ellison.

and I received One hundred & forty seven Dollars $147.00/100 yesterday that you said was rent money. has Dick Paid his Rent yet or not he should have paid it before he left the place.

about how much Rent corn have I got there. Dont sell it on credit unless the parties is perfectly good & can be made by law.

corn is scarce here at from 75 to
$1.00 per bu. this country is full of newcomers
but some are going Back. Mrs. Cleveland has
gone home. we haven't had much cold weather
yet but it has been raining for 30 hours
+ that is something uncommon the ground
is wet. I have about 16 acres of Oats that
I sowed in the fall that looks fine but it
looks like we are not going to get to sow any
Spring Oats. I sold 10 mules about a month
ago. I have 10 left + 11 head of horse
stock. I did not make much money on my
mules but I had lots of fun trading.
I guess that I will have about 40 acres
of cotton on my place here this year.
if we beat you making cotton you will
have to treat. as I have nothing of
interest to write I will close, & I
will close + give you all the news
+ money you can.

Yours. Truly,
