Scholarship awarded to Westlake High player

Keith James Brown, a Westlake High School graduate, has been awarded an athletic scholarship to play on the 1979-80 varsity baseball team at Northwood Institute in Cedar Hill, it has been announced by the Northwood athletic director.

Brown played baseball, basketball, football, tennis and track at Westlake and was also a member of the Student Council. He is the son of Mr. and Mrs. G.J. Brown and plans to major in business.

"I feel that Brown will be a great asset to our new baseball program at Northwood this year," said coach Calvin Wells.

Northwood Institute is a private, accredited, coeducational business and management college located 16 miles south of downtown Dallas.

Its practical, career-oriented curriculums are taught with a thorough emphasis of the free enterprise system. Northwood competes in the National Junior College Association.

Thanks for letting me know about the book. Yours was so great !

The address for the Ridenour papers is

Horace B. Ridenour

Edna's papers should contain information on the Ridenours who might have been connected with a reunion, so you might suggest to your correspondant that she ask him. (Horace)

Thought I would send this to you for her since this will supply both of you with the address.

Best to you and Stuart !
